This intimate gathering will provide top level sponsors the opportunity to hear from Ambassador Haley and other board members about the work the Original Six Foundation is doing across South Carolina.

Awards Celebration

Tournament participants will enjoy food, fun, and remarks from Ambassador Haley on the back lawn of the River Course Clubhouse after tournament play. This celebration will also include a silent auction with proceeds directly benefitting youth in counties served by the Original Six Foundation through after-school and literacy programs.

About the River Course

Designed by Tom Fazio, the River Course opened in 1995 as The Kiawah Island Club's first golf course. For golfers, the River Course provides a challenging and aesthetically pleasing 7,019-yard test. It boasts six holes that play along the river's edge, with the other fairways and greens playing along picturesque marsh savannas, ponds, and the Island's incomparable maritime forests.
