6:00 PM Founder's Reception at River Course Clubhouse  
(Invite Only for Platinum, Gold, and Silver Level Sponsors)

## Monday, March 29

9:00 AM Registration Opens

Biscuit Bar

Silent Auction Begins

10:45 AM Welcome Remarks from Ambassador Nikki Haley

Rules Discussion

11:00 AM Tournament Begins: Shotgun Start

3:30 PM Awards Celebration

4:30 PM Silent Auction Ends

### Founder's Reception

Top tournament sponsors are invited to join the Original Six Foundation Board of Trustees for cocktails, dinner, and entertainment at the River Course Clubhouse the evening before the tournament. This intimate gathering will provide top level sponsors the opportunity to hear from Ambassador Haley and other board members about the work the Original Six Foundation is doing across South Carolina.

### Awards Celebration

Tournament participants and guests will enjoy food, fun, and remarks from Ambassador Haley on the back lawn of the River Course Clubhouse after tournament play. This celebration will also include a silent auction with proceeds directly benefitting youth in counties served by the Original Six Foundation through after-school and literacy programs.

### About the River Course

Designed by Tom Fazio, the River Course opened in 1995 as The Kiawah Island Club's first golf course. For golfers, the River Course provides a challenging and aesthetically pleasing 7,019-yard test. It boasts six holes that play along the river's edge, with the other fairways and greens playing along picturesque marsh savannas, ponds, and the Island's incomparable maritime forests.

## Our Mission

Children across South Carolina deserve a quality education regardless of where they are born and raised. The Original Six Foundation works to improve education by identifying gaps and filling them through hands on engagement and resources.

## Foundation Overview

Every child in every community in South Carolina does not have access to the same educational opportunities. So Nikki Haley founded the Original Six Foundation to help fill the gaps. We work with schools, teachers and community members to identify needs. Then we address them in practical ways. We provide funding, and we often develop and help implement customized programs. And we monitor impact—not just in test scores but through child-by-child advancement. It is direct and focused work, and it is how lives and futures are changed.

Since partnering with rural schools in 2016, the Original Six Foundation has served over 2,500 children. While engaging over 100+ certified teachers throughout the state, we have provided over 3,200 of hours of homework assistance. In addition to our afterschool programming, O6 has donated 12,400+ books to local schools and community partners. We have also provided funding for literacy supportive tools for schools that have reached over 1,000 students and counting.

## Afterschool Program Impact

The 2018-19 school year served as a restructuring year for the foundation's afterschool programs held at Richard Carroll Elementary School in **Bamberg County**, Manning Junior High School in **Clarendon County**, and Jonesville Elementary Middle School in **Union County**. The programs program now specifically targets homework assistance and specialized academic areas such as ELA and math. All programs operate within the schools and are facilitated by certified teachers that understand each students needs. During the 2019-20 school year, our homework center programming expanded in to Allendale-Fairfax Middle School in **Allendale County**, Palmetto Middle School in **Marion County**, and Denmark-Olar Elementary School in **Bamberg County**.

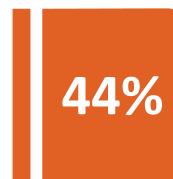

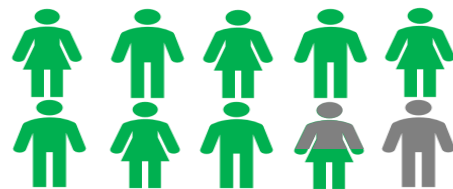

9 out of 10 non-program teachers noticed an improvement in homework completion and behavior.

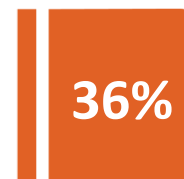

3 out of 4 students stated that they care more about learning since attending the Practice Makes Perfect Homework Centers.

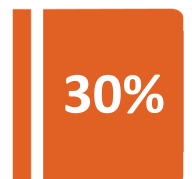

84% of parents feel the Practice Makes Perfect Homework Centers are making a positive impact on their child.

Improved Math Grades
